Around the World

8. 10. – 20. 4.

Thanks to this interactive exhibition inspired by the famous novel *Around the World in 80 Days* by Jules Verne, the visitors will travel back in time to the early days of the 20th century and embark on exciting adventures in faraway lands. Just like the book's main protagonist, Phileas Fogg, visitors must accept a bet and travel the world in 80 days. This unique exhibition offers visitors insight into many captivating and remote worlds and the opportunity to solve tasks and go on quests. Their task will be to successfully pass through nine different environments symbolising different places from all over the world – from the Italian town of Venice, the Middle-Eastern bazaars, the African savannah, India, the South American jungle, to the frosty Arctic landscape. In each environment, the visitors must solve a task to earn a clue for their passport, and at the end of the journey, they will discover the treasure of Phileas Fogg.

The exhibition introduces an original concept that merges an interactive light exhibition with elements of an escape room and treasure hunt games. The exhibition is the joint work of the DEPO2015 creative team from Pilsen, Czech Republic.

Starting on 08.10.2024, BIBIANA offers guided introductions with a lecturer for the **AROUND THE WORLD EXHIBITION** for schools and organised groups. The introductions will be held on the hour, from 09:00 to 13:00, and require a reservation. /For groups of max. 30 children/.

You can make a reservation by e-mail: realizacia@bibiana.sk or by phone: 02/20 467 223 on workdays, 9:00 to 14:00.

Starting on 08.10.2024, individuals may enter the exhibition in 15-minute intervals, with a maximum capacity of 10 persons per time slot. On school days, entry may be restricted due to organised school groups. Individual visitors are advised to use the afternoon hours or on weekends to avoid any delays due to restrictions. Last entry is 60 minutes before the closing hour.

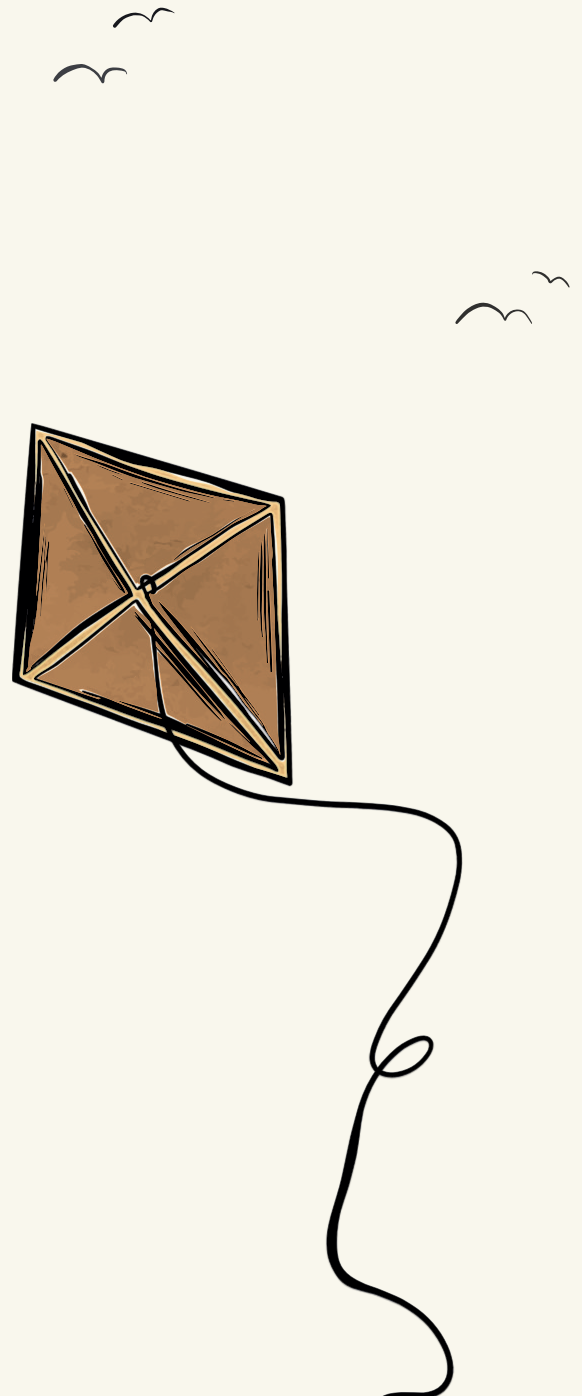

How We Revive Wood

8. 10. – 1. 11.

Animare silva is Latin and may be translated as “bringing wood back wood to life”. It is also the name of a traditional marionette theatre founded by husband and wife duo Jana and Peter Pilát in an effort to revive and breathe life into hand-crafted wooden marionettes. Since 2009, they perform for children and adults aged 1 to 99—to all who remain kids at heart and like tales where goodness wins over evil. The exhibition offers a rare insight into the duo’s profession and displays their most curious works in the form of wooden puppets, marionettes, and props made with craftsmanship and love.

Story, script, design: Jana and Peter Pilát
